ABOUT THE CHAMBER

The Chamber of Commerce of Warren County was formed in 2003, dedication to the promotion of local commerce. The Chamber serves businesses and organizations throughout Warren County and the surrounding region, seeking through its members, volunteers, and directors to foster economic health, development, and enhanced quality of life. The Chamber is a 501(c)(6) administered by an executive director and 15 board members representative of various businesses and organizations in the county.

MISSION

The Chamber of Commerce of Warren County is dedicated to enhancing the growth and opportunities of its business members, and thus the economic development of Warren County through efforts in marketing, education, member benefits, special events, and governmental relations.
